

ManualMaster respects your privacy. Through your visit to our website no personal information is gathered. The only information of you that we keep track of is what you tell us. IE if you fill out a form, if you would like to receive our monthly newsletters or if for instance you subscribe to a training or seminar.

We do not use cookies. If you are a registered ManualMaster user you can get access to our customer portal. To allow a save use of the portal we will provide a dedicated username and password to you.
